Purse \$3,000,000. For three-year-olds, with an entry fee of \$25,000 each and a starting fee of \$25,000 each. A minimum \$500 jockey mount fee will apply to starters that finish beyond third place. Supplemental nominations may be made upon payment of \$200,000 and in accordance with the rules set forth herein. Churchill Downs Racetrack ("CDRT") shall guarantee a minimum gross purse of \$3,000,000 (the "Guaranteed Purse"). The winner shall receive \$1,860,000, second place shall receive \$600,000, third place shall receive \$300,000, fourth place shall receive \$150,000 and fifth place shall receive \$90,000 from the Guaranteed Purse (the Guaranteed Purse to each place to be divided equally in the event of a dead heat). Starters shall be named through the entry box on Tuesday, April 30, 2019, at 10:00 am Eastern Daylight Time (the "Closing"). CDRT, in its sole and absolute discretion, may set the number of starters up to a maximum of twenty (20) and the number of horses that are also-eligible to start up to a maximum of four (4). Colts and Geldings shall each carry a weight of one hundred twenty six (126) pounds; Fillies shall each carry one hundred twenty one (121) pounds. Supplemental Nominees may enter and will be treated equal to any Original Nominee without preference of one over the other. If the number of nominees exceeds the number of available starting positions and also-eligible positions set by CDRT (the "Number of Starting and AE Positions") at the Closing, these conditions shall be applied to determine which nominees will be allowed to start and which nominees will be designated as also-eligible to start. In the event that more than the Number of Starting and AE Positions pass through the entry box at the Closing, the starters and also-eligible horses shall be determined at the Closing from Original Nominees and Supplemental Nominees if starting and/or also-eligible positions are still available, with preference given to those horses that have accumulated the most points pursuant to the Road to the Kentucky Derby Point System. For purposes of this preference, the Road to the Kentucky Derby Point System shall mean the point values assigned to the first four finishing positions in each race comprising the Road to the Kentucky Derby as published by CDRT. Notwithstanding the foregoing, CDRT may, in its sole discretion, allocate one or more starting and/or also-eligible positions or otherwise give preference to winners of a designated race or races provided, however, that any such designated race or races may not include restrictive provisions relative to which a horse may enter such race or races, other than by sex or age. Furthermore, pursuant to rules published by CDRT, one invitation to compete in the Kentucky Derby will be extended with preference given to the top four point earning horses in the "European Road to the Kentucky Derby" series. If a horse also qualifies through America's "Road to the Kentucky Derby" series, which includes the UAE Derby, the invitation will be extended to the next eligible horse. Provided a top point earning horse does not accept the invitation, CDRT reserves the right to offer one invitation to a horse from Europe whose performance in Group races in Europe has been exceptional. In the event of any ties resulting from the "European Road to the Kentucky Derby" Point System, preference will be given to the starter that has accumulated the highest earnings in non-restricted sweepstakes as of April 15, 2019. In the case of remaining ties with non-restricted sweepstakes and lifetime earnings, the starter shall be determined by Lot. Furthermore, pursuant to rules published by CDRT, one invitation to compete in the Kentucky Derby will be extended with preference given to the top four point earning horses in the "Japan Road to the Kentucky Derby" series. If a horse also qualifies through America's "Road to the Kentucky Derby" series, which includes the UAE Derby, the invitation will be extended to the next eligible horse. Provided a top point earning horse does not accept the invitation, CDRT reserves the right to offer one invitation to a horse from Japan whose performance in Group races in Japan has been exceptional. In the event of any ties resulting from the "Japan Road to the Kentucky Derby" Point System, preference will be given to the starter that has accumulated the highest lifetime earnings as of April 15, 2019. In the case of remaining ties with lifetime earnings, the starter shall be determined by Lot. Any horse excluded from running because of the aforementioned preference(s) shall be refunded the \$25,000 entry fee and the \$200,000 supplemental fee, if applicable. After the Closing, CDRT shall designate in order of preference the nominees that are also-eligible to start in accordance with these conditions ("Also Eligible Horses"). If a starter is scratched from the Kentucky Derby before 9:00 a.m. (Eastern Daylight Time) on Friday, May 3, 2019 ("Scratch Deadline"), then the Also Eligible Horse with the highest preference (if any) as determined by these conditions shall become a starter. All starters and Also Eligible Horses must be stable at Churchill Downs by 11:00 a.m. Eastern Daylight Time on Tuesday, April 30, 2019. Post positions shall be determined by a nontransferable lot number being drawn for each horse named as a starter at the Closing. The lot number drawn for each starter shall determine the post position of such starter. Notwithstanding the foregoing, CDRT may elect to use an alternate method of determining post positions, provided such method has been approved by the Kentucky Horse Racing Commission. Horses having common ties through ownership or training shall each be treated separately for purposes of determining post position. In the event of one or more scratches after the determination of post positions and prior to the Scratch Deadline, then (i) starters with post positions higher than the post position of the scratched starter will be moved to the next lowest empty post position (i.e., toward the inside rail of the race track) and (ii) the Also Eligible Horse that becomes a starter (if any) will receive the lowest post position available after the post positions of the other starters have been moved as provided above. In the event one or more scratches occur after the Scratch Deadline, no Also Eligible Horses will be permitted to start and the post positions shall be moved, without changing the order of the starters, as determined by the stewards and CDRT to be in the best interests of the safety of the race participants. Post positions shall be moved for each scratch that occurs so that there are no empty post positions in-between horses at the start of the Kentucky Derby. Detailed rules governing the post-position draw process are available from the CDRT's Racing Secretary's office and will be distributed prior to the Closing. These rules shall control. The owner of the winner of the Race shall receive a gold trophy and trophies will be presented to the winning breeder, trainer and jockey. Closed Monday, April 1, 2019 with 362 nominations. One Mile and One Quarter
